MEMORANDUM FOR: Assistant Director/Central Reference

VIA : Deputy Director/Intelligence

SUBJECT : Deputy Administrator for Administration  
William Hall of AID

On 4 October Mr. Hall called to say that he had checked with General Carter to see who in the Agency he should deal with on some policy problems between AID and CIA, and that General Carter had referred him to me. We agreed to get together in the near future and I mentioned that we had a regular liaison officer who was in AID a good deal of time. He asked that this individual stop in and make his acquaintance. Will you please see that this is done and, if you advise my office in advance, they will call Mr. Hall's office and advise them of the name of the liaison officer.
